

I want to voice my opinion on NAB's petition 04-160. I pay for my XM radio service and fully enjoy the verity I get and don't think the NAB should have the right to tell me what I listen to. They can't compete so now they want to cheat! I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Thank You,
Chaz Collett
